*We Bring 400
Years of Northeast
North Carolina
History to Life.*

When you embark on the Historic Albemarle Tour, which winds through 32 sites and 17 Northeast North Carolina counties, you

encounter chapters from a history book that teach volumes about the present.

And the tale of this ancient region is the story of America. It's a story of growth and change . . . of wilderness walks and uncharted horizons . . . a multi-dimensional microcosm of the American experience that enhances a sense of place. It illuminates who we are, where we came from and where we're going.

For over 25 years, the Tour has attracted thousands of visitors, school children, and educators to the region to follow in the footsteps of pilgrims and pirates, soldiers and slaves, sea captains and colonists.

Now we invite you to join us as storytellers of this magnificent tale. By becoming a Patron of the Historic Albemarle Tour, you help us continue to interpret Northeast North Carolina's rich history for future generations.

Your patronage also provides opportunities for involvement in our site programs and activities. So you not only support the Tour, but you can experience our history as well.
